Re: Romansky v. Blaine, 1: CV-00-1520

Dear Mr. Hollinger:

In light of the fact that Romansky has never had the opportunity to listen to the four (4) cassette tapes and they are indeed Brady material that has been withheld from Romansky for more than fifteen (15) years and contain exculpatory evidence pertaining to all three of Romansky's trials, it is respectfully requested that Romansky be provided with copies of the four (4) cassette tapes so that he can meet the sixty (60) day rule for filing a PCRA under newly discovered evidence. Thank you for your attention and cooperation.
